

## ***THE BEST OF BOTH WORLDS SCHOLARSHIP FOUNDATION***

Starting in 2005, The Best of Both Worlds Foundation is a **non-profit organization that empowers and mentors local young men and women of all ages through programs that cultivate academic and athletic achievement by developing leadership, communication, and other life skills to make a difference in society.** Many participants of the foundation have athletic aspirations, but lack the big picture understanding of the importance of education. Our organization is designed to build overall personal success through the enhancement of academic and athletic success. While providing financial assistance to pursue academics is a core focus of the foundation, its true impact is evident in the confidence and integrity instilled in each student that comes in contact with this organization.

The two-fold mission of the organization involves maximizing athletic talents of each participant while honoring intellectual enhancement through the rewarding of college scholarships for the most deserving students. The scholarships are awarded based on economic need, grade point average, and community involvement.

The deadline for 2010-2011 scholarship applications is July 1, 2010. Scholarship recipients will be announced by August 1, 2010. Please contact us if you have any questions or need any additional information about our organization. The Best Of Both Worlds Foundation is poised to challenge today's youth and encourage them to take their place as leaders of the next generation.

Sincerely,

Andre White  
The Best of Both Worlds
